Leadership is all about Courage

Leadership is across levels:

- Team leader
- Manager
- Director
- VP
- CTO
- CEO

YOU!

Every time you stepped up to help a colleague struggling

Every time you pushed back and challenged your manager

Every time you asked a question in a meeting

Every time you identified a risk and voiced it

Live & Breathe Agile & Growth Mindset!

Do you have what it takes to turn the ship around?

- What do I want to achieve as a leader?
 - Build leaders
 - Build strong independent individuals
 - Build individuals that can think

Student of Leadership

- Leadership is a continuous learning process
- Leadership is a state of being, not a state of doing

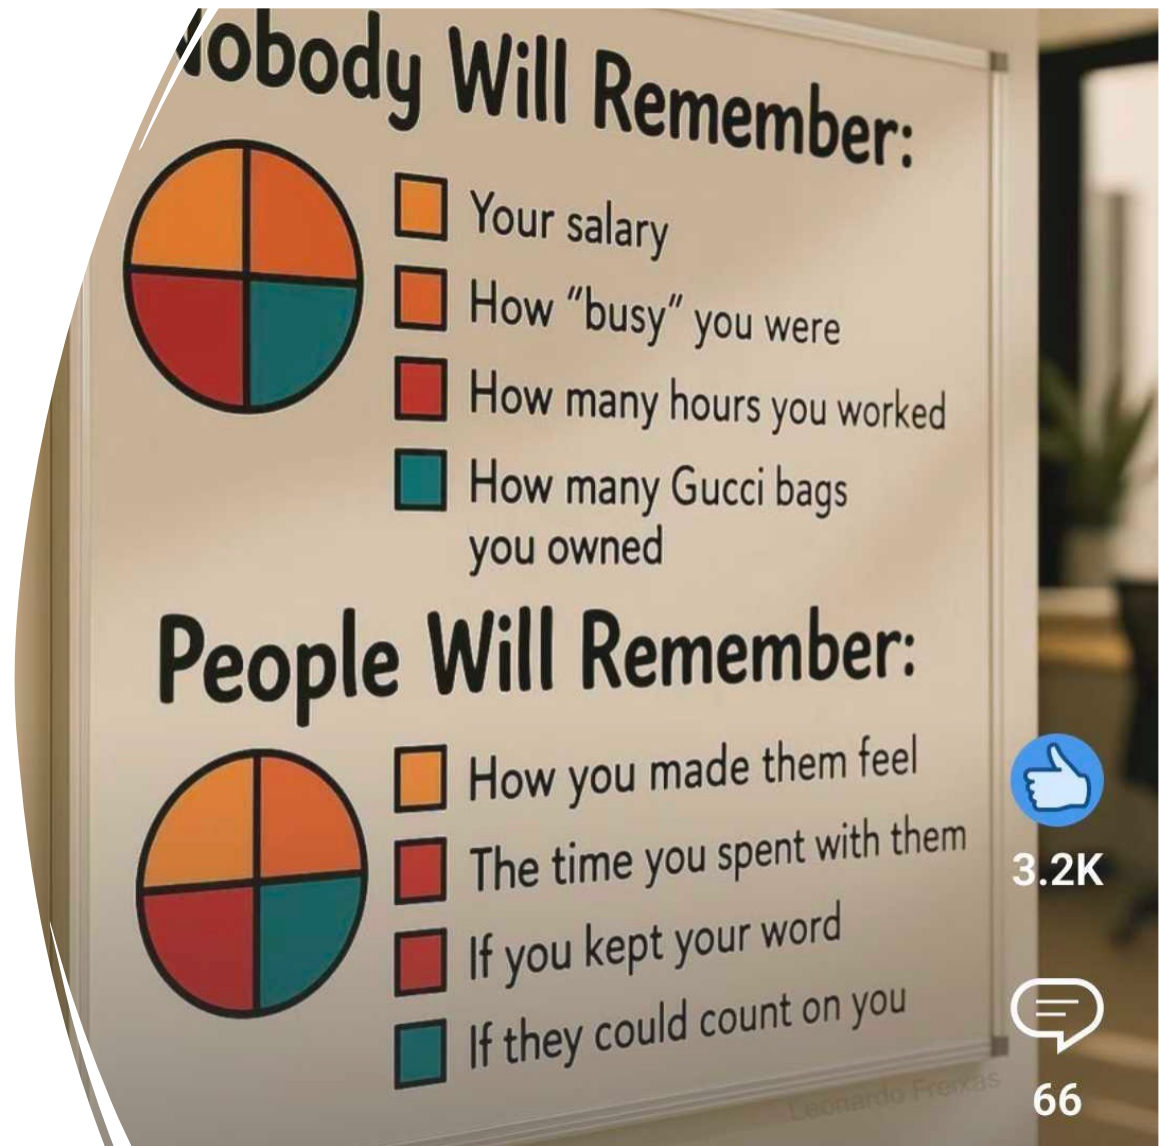

Live and Breathe Leadership

- ➔ Start with mindfulness / be always aware of where you stand and what you need to course correct
- ➔ Don't lose your bearings, otherwise....

Thank you
